## Action Taken Report on Feedback from Students by the Institution

Academic Session: 2022-23

The institution receives online feedback from students which is then analyzed and necessary action is taken through proper channels. Concerning feedback on the curriculum, academic performance and ambience of the institution by the students, the following actions have been taken after relevant discussion in respective committees as well as in IQAC and Governing Body meetings. The following actions are being taken:

- Measures like the purchase of new books with lending facilities and accessibility to e-resources, availability of university papers etc. were taken to increase the library footfall.
- More focus on ICT-based teaching-learning.
- Wi-Fi Connectivity is provided on the College Campus.
- Career Counseling Cell organizes various programs to provide insightful discussions on effective study strategies and practical tips fostering a holistic approach and making students ready for the job market competition.
- Education Tours are organized to enhance knowledge and better understanding.
- Emphasis is given on conducting more short-term academic projects by students to facilitate the interactive teaching-learning process.
- Actions are taken for continuous assessment through tutorial (advanced learners) and remedial (slow learners) classes.
- Computer Courses from WEBEL are organized to make the students well-equipped with computer knowledge and foster them a better place in the job market.
- Certificate courses on Yoga are arranged to maintain the physical health of the students.
- Psychological Counselling sessions are held to maintain the mental well-being of the students.

## Action Taken Report on Feedback from Faculty Members of the Institution

Academic Session: 2022-23

The institution receives online feedback from the teaching staff of the college which is then analyzed and necessary action is taken through proper channels. Concerning feedback on the curriculum, resources availability and ambience of the institution by the teaching staff of the college, the following actions have been taken after relevant discussion in respective committees as well as in IQAC and Governing Body meetings.

The following actions are being taken:

- Separate Room/Cubicle are provided to each Department.
- Measures like the purchase of new books with lending facilities and accessibility to e-resources, availability of university papers etc. were taken to increase the library footfall by the faculty members.
- Measures like Smart-Classroom, Projectors etc. are provided to encourage ICT-based teaching-learning.
- Wi-Fi Connectivity is provided on the College Campus.
- A College Picnic is organized by the Faculty Council for the recreation of the teachers.
- Emphasis is given to enabling research activity of the faculty members within the college campus.
- Academic Infrastructure Development like Projectors, Teaching Aids, computers, an adequate number of benches and chairs etc. are provided.
- “Tuesday talks” are organized each month to encourage the research activities of the faculties.
- Courses in Drama and Dance like Charukola etc. are arranged to maintain the physical and mental health of the faculties.
- Psychological Counselling sessions are held to maintain the mental well-being of the faculties.

**Action Taken Report on Feedback from Parents of the Students Enrolled in the Institution**

Academic Session: 2022-23

The institution receives online feedback from parents of the students enrolled in this institution which is then analyzed and necessary action is taken through proper channels. Concerning feedback on the curriculum, academic performance and ambience of the institution by the parents, the following actions have been taken after relevant discussion in respective committees as well as in IQAC and Governing Body meetings. The following actions are being taken:

- Efforts were made to boost library attendance by implementing measures such as acquiring new books along with lending services, enhancing accessibility to electronic resources, and ensuring the availability of university question papers.
- The college campus is equipped with Wi-Fi connectivity for the convenience of students.
- The Career Counseling Cell arranges diverse programs aimed at facilitating insightful discussions on effective study strategies and practical tips. This approach fosters a holistic preparation, equipping students to confidently navigate the competitive job market.
- Educational excursions are arranged to enrich knowledge and promote a deeper understanding of the subjects.
- Actions are taken for continuous assessment through tutorial (advanced learners) and remedial (slow learners) classes.
- Students are offered computer courses facilitated by WEBEL, aimed at equipping them with comprehensive computer knowledge and enhancing their prospects in the job market.
- Sessions for psychological counselling are conducted to uphold the mental well-being of students.
- Yoga certificate courses are conducted to promote the physical well-being of students and support their overall health.
