Dr. Soumyajit Patra addressed on the topic “The cultural dynamics of social distancing”. Dr. Patra enlightened the audience with the new norm of 'social' distancing. He emphasized the cultural aspects associated with social distancing across History. He clarified the role of culture in human everyday behaviour especially during corona times.

Dr. Joydeep Saha delivered his lecture on “Social Implications of COVID-19 in India. Dr. Saha delivered lecture about psycho-social implications at the uncertain times of corona. The uncertainties pertain to different aspects such as personal, political and psychological. He further clarified about the possible future steps to be undertaken citing examples from real life events during corona

After completion of all lectures was followed by a Q & A session where several questions were raised by the participants. The resource persons clarified the queries raised and the responses were appreciated overall.

A total number of 274 participants have actively participated in the webinar and issued certificates to all of them (Certificate No. PCMM/SOCIO-GEO/14072020/01 to PCMM/SOCIO-GEO/14072020/274).

Are the Youth Yelling?

- **Difficulties in learning:** issues of digital divide - problems for "mediocre" and "poor" students and researchers; absence of group-based interactive learning sessions; hampered research work in disciplines that depends largely on laboratory and fieldwork
- **Shrinking employment opportunities:** linked to global economic loss and further reduction in trade and investment, given the pre-existing context of highly "informal" nature of employment - that too "self-employed" in majority
- **Unemployability:** linked to very limited scope of advanced learning and skill up-gradation
