STATE UNIVERSITY

(COURSE CODE-GEOACOR12P & GEOACOR11P)

- 1. GEOGRAPHICAL FIELD STUDY IN RISHIKHOLA RIVER BASIN and SALGHARI VILLAGE** has been organized by the Department of Geography to fulfill the West Bengal State University curriculum between 4.06.2022 to 10.06. 2022. Twenty-five number of Students attended the field work along with two teaching and one nonteaching staff. River Profile survey, Landuse-Landcover survey, GPS survey, Soil Survey, an Questionnaire survey in the selected village through Random Sampling technique were done in the field survey.

Geographical field work in Rishikhola, Sikkim

2. PROJECT REPORT

A **Dissertation Report on Disaster Management** was prepared by the Individual Students to fulfil the Course Code GEOACOR12P under West Bengal State University for Geography Honours -Semester V students. The Nineteen students have selected the topics provided by the University under the guidance of the Three Faculty members. Our students have selected the Dissertation Topics on cyclone, landslides, river bank erosion and flood activities for the Academic session 2021-22. Through this Report preparation students have understood how a Dissertation Report can be prepared individually based on secondary data. Some of them are as follows:

ASSESSMENT OF CYCLONIC ACTIVITY, ITS EFFECT AND DISASTER MANAGEMENT ON SOUTH 24 PARGANAS DISTRICT OF WEST BENGAL WITH SPECIAL REFERENCE TO AMPHAN

CYCLONE
