State level webinar on Human Rights and Recent Trends organized by Department of Political Science

Date: 12.04.2022

Time: 3 p.m. onwards

Venue: Online Google Platform

Number of Participants: 178 (Including Teachers, Students, All Faculties)

Name and Designation of Resource Person(s): Prof. Dr. Sumit Mukherjee

Organizing Committee: Department of Political Science and IQAC.

Brief Report:

The Department of Political Science in association with The Internal Quality Assurance Cell of the college organized a webinar “Human Rights: It’s Recent Trends' ' on 12 th April, 2022 via Google Meet from 3pm onwards. The webinar began with the welcome address by Mr. Mohiuddin Mondal (H.O.D; Department of Political Science) .The inaugural speech was delivered by Dr. Parthasarathi Dutta (Teacher-in-Charge, Prasanta Chandra Mahalanobis Mahavidyalaya). Dr. Alpana Ray (IQAC Coordinator and Assistant Professor, Dept. of Geography) delivered the keynote address in this webinar. Ms Manisha Ghosh, teacher of the department of Political Science introduced the honorable speaker— Prof. Dr. Sumit Mukherjee, he was present as the resource person in this webinar. Prof. Mukerji highlighted the importance of human rights in the international arena. He said that the International Covenant on Human Rights, which was ratified by the UNO General Assembly on December 10,1948, is still admired all over the world. At the moment, however, protecting the Human Rights of children and women around the world is one of the most challenging issues, as globalization and the rise of terrorist activity make it even more difficult and complex. Mr. Mohiuddin Mondal, (HOD; Department of Political Science) proposed the vote of thanks. The program was hosted by Ms. Chandrani Mukherjee, (Faculty, Department of Political Science).

The benefits of such seminars are as follows:

- The participants understood the importance of human rights.
- Protection of the Human Rights of children and women around the world is one of the most challenging issues, as globalization and the rise of terrorist activity make it even more difficult and complex. The speaker addressed as how these issues can be solved globally
