State Level Seminar

on

“Evolution of Mathematics – Babylonian to Quantum”

organized by

Department of Mathematics and IQAC

Date: 03.01.2023

Time: 12.15 p.m

Venue: Seminar Hall, Room no 15, College Premise

Number of Participants: 135 (Including Teachers, Students, All Faculties)

Name and Designation of Resource Person(s): Dr. Chinmoy Ghosh, Assistant Professor of Mathematics, Kazi Nazrul University.

Organizing Committee: Department of Mathematics and IQAC.

Brief Report:

“Evolution of Mathematics – Babylonian to Quantum” organized by Department of Mathematics and IQAC of Prasanta Chandra Mahalanobis Mahavidyalaya in collaboration with IQAC in room no 15 from 12.15 p.m onwards.

Dr Arnab Ghosh, Principal, Prasanta Chandra Mahalanobis Mahavidyalaya delivered the inaugural lecture.

The department of Mathematics, Prasanta Chandra Mahalanobis Mahavidyalaya in association with the Internal Quality Assurance Cell (IQAC) of the college organized a seminar titled “Evolution of Mathematics – Babylonian to Quantum” on 3rd January, 2022, 12:15 pm onwards.

The webinar began with a welcome address by Dr. Arnab Ghosh, Principal of Prasanta Chandra Mahalanobis Mahavidyalaya. Dr. Trisha Maitra, head of Mathematics department welcomed all with a short note on the perspective of the seminar.

Dr. Chinmoy Ghosh, Assistant Professor of Mathematics, Kazi Nazrul University explained beautifully the Evolution from Babylonian mathematics to Quantum mechanics during his lecture. The lecture was very interesting and understandable to the participants as it excluded rigorous mathematical details. The talk was followed by lively discussions. Question- answer session was coordinated by Dr. Trisha Maitra, who was the host of the seminar.

The seminar was well attended by faculties and students of the college. It was recorded simultaneously and then uploaded to YouTube. Almost hundred and fifty persons attended the seminar. The seminar ended with a vote of thanks by Dr. Alpana Roy, IQAC coordinator of the college. Faculties of the computer science department were present throughout for technical support. The benefits of such seminar are as follows:

- The students understood Evolution of Mathematics from Babylonian mathematics to Quantum mechanics.
- The students' queries were answered. Question- answer session of the seminar made it more lively.

Special Lecture
on
