The collaboration between institutions underscored a commitment to student success, offering a comprehensive resource for those aspiring to excel in competitive examinations.

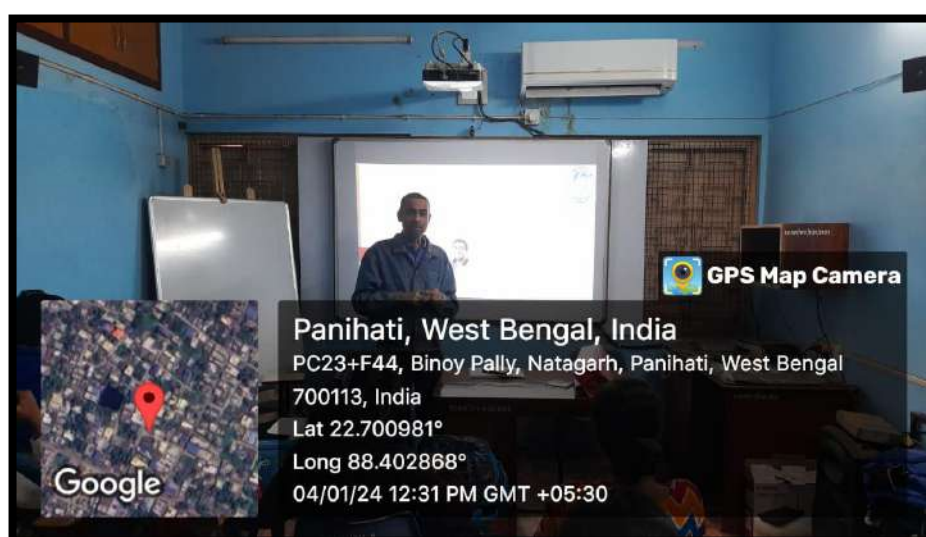

Seminar on "How to Prepare Yourself for Competitive Examination” organized by George School of Competitive Examination in association with Career Counselling Cell

”Boosting Mental Health among students” organised by Psychological Counselling Cell on 04.01.2024

The Counselling Session carried out by Mr Nilanjan Nag at Prasanta Chandra Mahalanobis Mahavidyalaya had three important components which designed the entire session. They were respectively Personal exploration, Group Work and Presentation. The topic of the session chosen was **“When do we feel low or bad and whom do we choose to go then and why?”** The students were divided into groups and each group was entrusted with the job of exploring themselves especially when they are extremely low or feeling joyous, how to get rid of those bad days or situations and identifying the person who are beside them in their joy or pain. Since it was a group-based activity peer interaction was also encouraged. The main observation of the session was students started exploring their feelings actively and the presentation of their feelings was noted for further analysis. Suggestions which have been provided by the counsellor were for the teachers or mentors of the institution to coordinate with the process further and emphasis has been given on subject or Dept. based work since it helps in good bonding. It has also been drawn as an inference of the session that the process will work well in future if regular follow-up is possible.

An Awareness Program on Yoga and Meditation on 05.01.2024

An Awareness Program on Yoga and Meditation was organized by Prasanta Chandra Mahalanobis Mahavidyalaya to mark the celebration Students’ Week 2024. The students were taught the importance of yoga,

meditation and exercising in their daily lives. The students along with Dr Sharmistha Roy Das performed different ‘asanas’ starting with Padmasana, Sukhasana, Tadasana, Bhujangasana, and concluded with Shavasana. This Yoga session also marked the importance of relieving stress, joint pain along with enhancing the flexibility of the back portion of the body of the students as well as the teachers.

Students of the Department of Food and Nutrition actively participated in documenting data on **age and sex**. **Height** was measured by an anthropometric rod, **weight** by a weighing scale, and **Waist circumference** and **Hip Circumference** were measured. **Body Mass Index (BMI)** and **Waist-to-Hip-Ratio (WHR)** were computed and inferred based on reference values given by the World Health Organization (WHO). A **sample Diet chart** based on anthropometric data was suggested to the participants, and recommendations and suggestions were given to all participants.

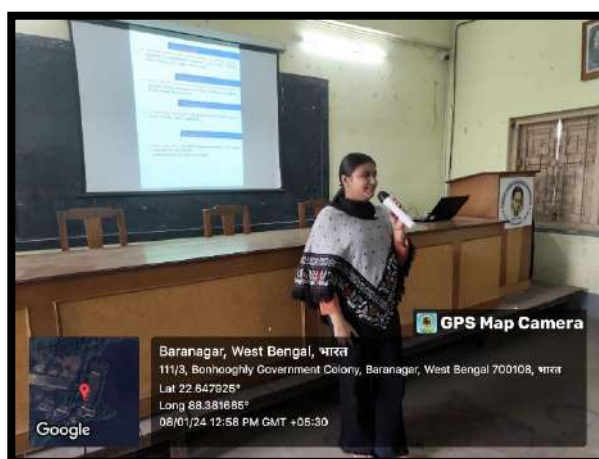

Webinar on “Role of Institutional Credit on Agricultural Productivity” organised by department of Economics on 08.01.2024

On 6th Day of Student Observation week, 2024 a webinar on “Role of Institutional Credit on Agricultural Productivity” was organized by the Economics Department, Prasanta Chandra Mahalanobis Mahavidyalaya for providing the importance of institutional credit in agriculture. Dr. Puja Biswas, Head of the Economics Department was the speaker of the program and the students of Economics Department attended the program. Institutional credit plays a crucial role in enhancing agricultural productivity by providing farmers with access to affordable financing for inputs like seeds, equipment, and fertilizers. This credit enables farmers to adopt modern technologies, improve crop yields, and reduce dependency on informal lenders, fostering long-term sustainable growth in agriculture which was detailed explained in the webinar to the students. This topic is a part of Indian Economics (Hons. And General syllabus) thus very important for the students.

“Share Your Ideas” A cultural program organized by the Cultural Committee on 08.01.2024

The students were enriched by the various activities and programmes of the Students’ Week. Dr Alpana Ray, Coordinator, IQAC of Prasanta Chandra Mahalanobis Mahavidyalaya constantly guided and assisted the Convenor in the successful completion of the entire programme. The occasion proved to be highly successful, and our sincere appreciation goes to the Government of West Bengal for spearheading this commendable initiative for the student’s welfare. Special thanks are extended to Dr. Aparna Chakraborty, JDPI at the Government of West Bengal, for her invaluable support and guidance.

Visit to primary school for conducting parent meeting organised by Department of Human Development on 22.03.2024

Department of Human Development in collaboration with IQAC of Prasanta Chandra Mahalanobis Mahavidyalaya organised an extension activity on 22/03/24 at Vivekananda Vidyapith (Primary section), (WB Govt. aided) 202, 203 Rabindranagar, Kol -108 on 22/03/24 at 2.30 p.m. Student of Semester 6 created some posters on parent and community education. Parent education program is a course that can be followed to correct and improve person’s parenting skills. Parenting education may be defined as any deliberate effort to help parents be more effective in caring for children. Such courses may be general, covering the most common issues parents may encounter, or specific, for infants, toddlers, children and teenagers. Each student talked about some important issues related to child development. Parenting styles and strategies, gender discrimination in parenting, how to deal with slow learners, concepts about counselling, autism, impact of mobile watching for child development, mental issues in adolescent student’s life are the topics of this awareness programme. Students one by one spoke about one topic with a visual aid which was prepared by them and presented by them in front of parents. This community based activity was very much appreciated by the parents and the staff of the primary school.

International Yoga Day Celebration on 21.06.2024

International Yoga Day is observed every year on June 21 to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. Prasanta Chandra Mahalanobis Mahavidyalaya celebrated International Yoga Day on 21st June, 2024. The event began with a brief introduction on Yoga Day by Dr. Arnab Ghosh, Principal of Prasanta Chandra Mahalanobis Mahavidyalaya. Warm up exercises were taken and all the students practiced & performed sitting and standing asanas, importance of these were explained simultaneously. The celebration concluded with the speech of our IQAC Coordinator, Dr. Alpana Ray. She encouraged students to practice regular yoga to remain fit and improve concentration.

Value Added Course: “Pranjan: Illuminating Minds” on 27.06.2024

The Cultural Sub-Committee of PCMM organized a lecture through its Value Added Course by inviting his holy highness, Swami Jnanalokananda of Ramakrishna Mission to enlighten the learners of the college on June 27, 2024. The invited the speakers was felicitated by the Principal. The esteemed speaker enlightened the students with examples from the life of Sri Ramakrishna, Sri Sarada Devi and Swami Vivekanada. Swami Jnanalokananda interacted with the students personally and presented the young learners with presents for answering questions on general knowledge and from the lives of saints.

Blood Donation Camp organised by Students Union on 28.06.2024

A Blood donation camp was organized by our NSS unit of Prasanta Chandra Mahalanobis Mahavidyalaya on 28th July, 2024. India faces a blood shortage of 3 million units. The problem

can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our college has been religiously organizing blood donation every year and students and the faculty members come forward voluntarily to donate blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it. About 30 volunteers including students and staff of the college had volunteered for donating blood. A Certificate of appreciation, donation card, refreshment and a token of respect was given to each donor as a token of gratitude.

THE SCHOLAR OF THE MONTH

The **Internal Quality Assurance Cell (IQAC)** of our college has taken up a number of quality initiatives to create and sustain quality in the field of research and innovation. We are now hosting a renowned scholar who is designated as the Scholar of the Month and this initiative offers an opportunity to students and teachers alike to get acquainted with the latest research and innovation taking place in various fields. This has generated substantial interest among the participants who get immensely benefited by talks of the scholar.

TUESDAY TALK

Research Development Cell (RDC) and Faculty Council in collaboration with **Internal Quality Assurance Cell (IQAC)** of our college have been hosting Talks delivered by the faculty members of the college on a particular Tuesday in every month since February, 2023. The aim of this Tuesday Talk is to generate and encourage research culture among the faculty members who engage in research on various topics/fields. The talk by the faculty members are shared among the peers and interactions are followed after the talk. The talks are mostly inter-disciplinary and encourage multidisciplinary dialogue. The talks are moderated by one of the faculty members. This has given a much-needed platform to the faculty members to disseminate their ideas and engage in dialogue. Of late we have made the talks go live on the official Youtube channel of the college. In addition to that the abstracts of the Talks are archived on the college website.
