An NGO working for Gender Equality

Ref. 2/J/23

Date: 06.07.2023

To
The Principal,
Prasanata Chandra Mahalanabis Mahavidyalaya,
Kolkata.

Respected Sir,

It gives us immense pride to be associated with your esteemed educational institution in various events of social importance for your students. We hope to continue to receive your patronage to our organization and on aspects of Gender Equality.

Moving ahead, we are happy to inform you that currently we are working in partnership with PMNCH (The Partnership for Maternal, New Born and Child Health) and CINI (Child In Need Institute).

The objective of the partnership is to conduct a survey amongst adolescents and youth aged between 16-24 in Kolkata and other Districts of West Bengal.

The objective of the survey is to understand what youth of India need or feel they need for their well being and development. The responses collected through the survey in various parts of West Bengal and India, will be collated and submitted to relevant Govt offices, and other funding organizations of repute so that advocacy can be made to make changes in society in terms of educational policies, jobs, access to resources, infrastructure etc to suit the needs of our youth.

The actual survey will be conducted through a chatbot in smart phones. The whole process should not take more than 45 minutes.

To that end, we humbly request you to allow us to conduct this survey in your college with your students. Indeed, we want to begin this survey with your college, if given the opportunity.

We look forward to your kind approval of our request.

Thank you

Report of the Career Counseling Programme Dated 3rd January 2024

On the 3rd of January, between 2 pm and 4 pm, George School of Competitive Examinations orchestrated a comprehensive program titled "How to Prepare Yourself for Competitive Examinations." This enlightening event was a collaborative effort with the esteemed Career Counseling Cell and IQAC of Prasanta Chandra Mahalanobis Mahavidyalaya.

A total of 56 enthusiastic participants actively engaged in the program, creating a dynamic learning environment. The agenda encompassed a diverse range of topics crucial for competitive exam readiness, including effective study strategies, adept time management, and invaluable stress coping mechanisms.

Distinguished educators, well-versed in the nuances of competitive exam preparation, shared their expertise, providing attendees with practical tips and insights. This collaborative initiative not only emphasized the significance of a holistic approach to exam preparation but also highlighted the commitment of the organizing institutions to the success and well-being of their students.

The event served as a robust platform for knowledge exchange and skill development, reinforcing the idea that preparation for competitive examinations extends beyond mere academics. It showcased the collective dedication of the collaborating institutions to empower students on their journey to excel in competitive exams. Overall, the program left a lasting impact, equipping participants with the tools and knowledge necessary for a successful examination preparation journey.
