2022-23

A. Action Taken Report on Feedback from Students

1. Measures like the purchase of new books with lending facilities, accessibility to e-resources, availability of university papers, etc. were taken to increase the library footfall.
2. More focus on ICT-based teaching and learning.
3. Wi-Fi connectivity is provided on the college campus.
4. Career Counselling Cell organises various programmes to provide insightful discussions on effective study strategies and practical tips, fostering a holistic approach and making students ready for the job market competition.
5. Education tours are organised to enhance knowledge and better understanding.
6. Emphasis is given to conducting more short-term academic projects by students to facilitate the interactive teaching-learning process.
7. Actions are taken for continuous assessment through tutorial (advanced learners) and remedial (slow learners) classes.
8. Computer courses from WEBEL are organised to make the students well-equipped with computer knowledge and foster a better place in the job market.
9. Certificate courses on yoga are arranged to maintain the physical health of the students.
10. Psychological counselling sessions are held to maintain the mental well-being of the students.

B. Action Taken Report on Feedback from Faculty Members

1. Separate rooms and cubicles are provided to each department.
2. Measures like the purchase of new books with lending facilities, accessibility to e-resources, availability of university papers, etc. were taken by the faculty members to increase the library footfall.
3. Measures like smart classrooms, projectors, etc. are provided to encourage ICT-based teaching and learning.
4. Wi-Fi connectivity is provided on the college campus.
5. A college picnic is organised by the faculty council for the recreation of the teachers.

6. The emphasis is given to enabling the research activity of the faculty members within the college campus.
7. Academic infrastructure development like projectors, teaching aids, computers, an adequate number of benches and chairs, etc. is provided.
8. "Tuesday talks" are organised each month to encourage the research activities of the faculties.
9. Courses in drama and dance, like charukola, etc., are arranged to maintain the physical and mental health of the faculties.
10. Psychological counselling sessions are held to maintain the mental well-being of the faculties.

C. Action Taken Report based on the feedback from alumni:

1. Based on the feedback received from the alumni, the proposal for the Rain Water Harvesting Programmes initiative was taken.
2. The proposal for an incubation centre was planned.
3. The proposal for skill development programmes with MSME was planned.

D. Action Taken Report based on the feedback from employers

1. Based on the feedback received from the employers, the emphasis was put on organising seminars, and special lectures were organised more regularly.
2. Educational excursions are arranged to enrich knowledge and promote a deeper understanding of the subjects.
3. Actions are taken for continuous assessment through tutorial (advanced learners) and remedial (slow learners) classes.
