## FROM THE DESK OF THE PRINCIPAL

Having been privileged to be the Principal of Prasanta Chandra Mahalanobis Mahavidyalaya (PCMM), I cordially welcome you all to the official website of this NAAC-accredited government-aided college, affiliated to WBSU, to make you familiar with PCMM family. The lush green campus having an Open-Air Stage and playgrounds, surrounded by enchanting Bonhooghly lake is an oasis of green amidst a chaotic industrial belt., The campus is completely secured with CCTV surveillance and is WiFi enabled. The College campus strictly adheres to Zero tolerance policy against ragging, social discrimination of all sorts and ensures equity in all aspects.

Adopting the New Education Policy, 2020 (under National Curriculum & Credit Framework, 2022) as per the guidelines of WBSU we offered 3/4-years Undergraduate B.A./B.Sc./B.Com. Programme (With Single Major/Honours/Honours with Research Course) having exit option after 3 years and 3-year Multidisciplinary Undergraduate Programme from the Academic Session 2023-24.

At PCMM, we strive to uphold our motto of "Excellence, Integrity, and Innovation." These core values are at the heart of everything we do and guide us in our pursuit of academic excellence, ethical conduct, and creative thinking.

We are committed to providing you with an exceptional learning experience that goes beyond the classroom. Our dedicated faculty members, with their expertise and passion for teaching, will empower you to explore your full potential and achieve academic excellence. We encourage you to embrace a mindset of continuous improvement and push the boundaries of your knowledge and skills.

Integrity forms the foundation of our college community. We value honesty, transparency, and ethical conduct in all aspects of our educational journey. We expect our students to uphold these values, not only in their academic pursuits but also in their interactions with peers, faculty, staff, and the wider community. By demonstrating integrity, you will not only earn the respect of others but also develop into responsible and principled individuals.

In today's rapidly changing world, the ability to think critically, adapt to new technologies, and embrace innovation is crucial. We foster a culture of innovation, encouraging you to explore creative solutions to complex problems and develop an entrepreneurial mindset. Through various academic programs, research opportunities, and extracurricular activities, we aim to instill in you the skills and mindset necessary to thrive in a dynamic global environment.

Additionally, we are proud to offer a diverse range of Add-on programs and courses that cater to different interests and career aspirations. Whether you are pursuing a degree in the arts, sciences, business, or any other field, we provide a supportive and inclusive environment that encourages interdisciplinary learning and intellectual exploration.

Furthermore, our college promotes a vibrant campus life that extends beyond academics. We offer numerous student clubs, organizations, and extracurricular activities where you can pursue your passions, develop leadership skills, and forge lifelong friendships. We believe that a well-rounded education encompasses not only academic knowledge but also personal growth and the cultivation of interpersonal skills.

Lastly, I encourage you all to explore our website further to gain a comprehensive understanding of our college's philosophy, programs, faculty, facilities, and support services. Should you have any questions or need assistance, our dedicated staff members are here to provide guidance and support throughout your college journey.

Once again, I extend a warm welcome to you and invite you to become an integral part of our vibrant and dynamic college community. Together, let us embark on a transformative educational experience that will shape your future and enable you to make a positive impact on the world. I encourage each and every one of you to make the most of the opportunities that lie ahead. Set your goals high, work diligently, and strive for excellence.

Dr. Arnab Ghosh

## FROM THE DESK OF THE COORDINATOR, IQAC

Even since the establishment of the Internal Quality Assurance Cell (IQAC) in our institution on 23rd April, 2014, it has been consistently engaged in designing and implementing various quality control measures in all domains of institutional activity. We are pleased to share with you the news that our institution has recently been assessed and accredited with B+ (3rd Cycle) in 2024 by National Assessment and Accreditation Council (NAAC), an autonomous body under University Grants Commission. The IQAC is entrusted with the crucial task of pursuing excellence, ensuring equity and access to all in the domains of academic and co-scholastic activities. The concerted efforts of all stakeholders under the capable stewardship of the Principal, suitably guided by the Governing Body bring to fruition the institutional ambitious plan of making it as a pioneering institution of the region. The institutional emphasis on environment, sustainability, skill-based and valued -based education is actualized in various innovative programmes organized by the IQAC. The institutional focus on the use of technology in all matters of institutional operation has been one of the prime areas of priority. I welcome our students to the picturesque campus garlanded by the beautiful lake to immerse themselves in learning and also to participate in the innovative programmes and activities organized by the institution. I am confident that every student here will have something to pursue, and will spend their formative years on campus in joy and happiness. The IQAC is constantly engaged in creating and sustaining quality culture within the institution by catapulting the synergy of all stakeholders. While a number of innovative programmes are organized to facilitate the upskill of students, steps are also undertaken to nurture the human resources by organizing courses for both faculties and administrative staff for optimal excellence. The year 2025 (9th August) stands out as an important historic year in the annal of the institution as the institution is going to compete 60th anniversary of its foundation, and on behalf of the IQAC, I cordially invite our students—both present and future—and alumni to come forward to get involved in the glorious journey of the institution towards excellence.

## A BRIEF OVERVIEW OF THE COLLEGE

PRASANTA CHANDRA MAHALANOBIS MAHAVIDYALAYA, BARANAGAR (formerly Bonhooghly College of Commerce) started its nascent journey in 1965 as an evening Commerce College affiliated to the University of Calcutta. Ever since the college started functioning in the separate campus in 2002, Prasanta Chandra Mahalanobis Mahavidyalayya flourished in different domains. Despite various handicaps the college has made remarkable progress both in academic and administrative domains. The college boasts of 16 academic departments and offers necessary academic assistance and exposure to the students. The college is committed to imparting quality education to the learners aspiring for higher education and is thus very sensitive to the needs of the students. There has been remarkable development in the arena of infrastructure and adequate care has been taken to supplement traditional teaching learning mechanisms with ICT-enabled teaching methodologies. The college endeavours to instill the desire for excellence among the learners by offering necessary support services as well as helps in preparing the students to face the challenges of life. We have been very alert to the psycho-social issues of our young learners for whom regular counselling sessions as well as extra-curricular activities are organized. With a host of young dynamic teachers along with a number of experienced faculties, the college strives relentlessly to impart quality education to the students. While we are fully aware of certain infrastructural lacunae, we are happy to provide facilities like separate Common Rooms for boys and girls, gymnasium and a playground. The lush green campus of the college beautified with a small lake garlanding the space offers nothing less than a picturesque spectacle to the visitors. The teachers of the college with their zeal for teaching and research are a treasure of the institution and they display their enthusiasm for attaining excellence not only in their respective branch of study but also in their sensitive and caring approach to the students. The healthy, cooperative relationship between teachers and students not only makes learning fun but also offers a life-changing experience to the young learners. The sincere and cooperative approach of the office staff helps in running the administration smoothly. The different units of the college have been working in a collaborative manner to lead the institution towards realizing the vision of the college. Our college has been assessed and accredited by NAAC with B+ Grade (3<sup>rd</sup> Cycle) in 2024, and we are committed to the path of pursuing excellence in every domains of institutional activities.

# INNOVATIVE TEACHING-LEARNING PRACTICES:

Pursuant to the ideals and goals prescribed in NEP 2020, our institution takes up the innovative, learner-centric, participative and ICT-enabled teaching-learning methodologies to help the students harness their skills, discover their hidden talent and engage in life-changing experience. Some of the strategies employed are enumerated below:

- \* **ICT-enabled Teaching-learning methodology:** There is one fully functional dedicated Smart Classroom equipped with state-of-the-art apparatus and technology.
- \* **Classrooms with modern facilities:** Projector, sound system have been installed in five large rooms to facilitate technology-driven teaching-learning activity.
- \* **Project-Based Learning:** True to the spirit of NEP 2020, each Department makes Project an integral part of pedagogy and thus students are encouraged to engage in teaching-learning activity with a hands-on training approach.

---

\* **Study Tours/Excursion:** In addition to the departments which are mandated by the university to take students to educational excursions, other departments have been consistently engaged in supplementing classroom teaching with other methodologies like educational excursion, field visit etc.

\* **Research activity:** Students have been engaged in collecting data, undertaking surveys etc. so as to orient them towards research activity.

## **DISTANCE EDUCATION:**

The College caters to the aspiration of the large number of candidates aspiring for higher education by establishing a Study Centre of Netaji Subhas Open University (NSOU). All eligible candidates can pursue their higher education by enrolling themselves in different PG courses offered by NSOU.

## AN INSTITUTION WITH A DIFFERENCE:

As an institution Prasanta Chandra Mahalanonis Mahavidyalaya endeavours to initiate steps in improving academic ambience of the college and attaining excellence in different domains of activity. The college is relentlessly working towards achieving its stated objectives by not only forging academic ties with other institutions and organizations but also in offering opportunities to the learners to realize their aspirations.

- **Memorandum of Understanding (MoU):** The college has signed MoU with a number of prestigious academic institutions and organizations to achieve its goals.
- **Exchange Programme:** Teacher Exchange Programme has been launched to augment human resources and make best use of available resources of other institutions for mutual benefit. We have initiated the scheme of Student Exchange Programme to offer better academic exposure to the learners.
- **Parent-Teacher Meeting:** The Departments regularly organize Parent-Teacher Meeting to overhaul the academic development of the learners. This initiative has already shown result in terms of the interest displayed by the young learners.

- **Plastic Free Zone:** The campus is declared a Plastic Free Zone and different programmes and awareness camps are organized on a regular basis to sensitize students about the burning issues of the environment.
- **Seminar Hall:** We have now a state-of-the-art Seminar Hall with a 150 seat capacity. The construction of the hall has been fully funded by MP LAD.
- **Incubation Centre:** The Incubation Centre, **প্রত্যয়** is located at the ground floor of the Annex Building of the college. The construction of the Centre has been fully funded by MPLAD.
- **Outreach Programme:** We believe in the proactive role of the institution in taking care of the adjacent locality by organizing various outreach programmes. The students of the college play a vital role in realizing the lofty ambitious projects.
- **Alumni:** The college has a registered alumni Association. The College appreciates the proactive role played by the Alumni Association in various academic and other domains of activity.

## THE ROAD AHEAD:

The Governing Body of the college has been making sincere effort with adequate assistance from all the stakeholders to transform the college into a coveted institution of higher education by augmenting the infrastructural facilities as well as by introducing new academic courses. Though fully aware of some handicaps, we are optimistic of utilizing our best resources to meet the challenges of the future. We are gradually embarking on a number of projects that will be beneficial to all the stakeholders:

- Medicinal Plantation
- Rain Water Harvesting
- Research Projects for the Students
- Introduction of PG Courses
- Construction of an Auditorium

### About Us

The college started its nascent journey in 1965 as an evening Commerce college affiliated to the University of Calcutta. Ever since the college started functioning in the separate campus in 2002, it flourished in different fields. Despite various handicaps the college has made remarkable progress both in academic and administrative domains. The college boasts of 16 academic departments and offers necessary academic assistance and exposure to the students. Conveniently located at the crossroad at Dunlop, well connected by railways and metro, the college can be accessed at ease. The lush green campus of the college, beautified with a small lake garlanding the space offers nothing less than a picturesque spectacle to the visitors. The teachers of the college with their zeal for teaching and research motivate the learners to strive for excellence.

### Hostel Facilities

Rani Mahalanobis Chatri Nibas (Girls) - four spacious rooms, separate dining hall, adequate toilets, visiting room, warden room, study room) - Approximate Yearly Fees Rs. 2400.00 The hostel is located within the enclosed space of the college premise and properly fenced.
